

# 40 Hour STRTP Initial Administrator Certification Training Program

## COURSE DESCRIPTION

This 40-hour course was approved by the California Department of Social Services, Community Care Licensing (CCL), Administrator Certification Section (ACS) and meets the requirements as outlined in the Short Term Residential Therapeutic Program Initial Certification Core of Knowledge Guideline Section 87064.2.

Participants in this course will become fully proficient in community care licensing regulations and learn effective strategies on how to best provide administration overnight in the STRTP. Participants will review pertinent laws to STRTP business operations and learn how to ensure compliance. Additionally, the course will utilize best practice modalities to teach participants about leadership/management, supervision, and delivering effective staff training with an emphasis on trauma informed care and cultural competency. This course will equip new administrators with the fundamental framework regarding how to develop STRTP's that are therapeutic, inclusive, and safe for children and youth in foster care.
